If the costs for overnight stays exceed the flat rates, they will be charged with actual costs. Costs for travel to and from the site, for transport of baggage and tools as well as fees incurred in completing the contract and any other expenses shall be invoiced at cost after deducting any pre-taxes. If according to the collective agreement the mechanics are entitled to travel home, the corresponding costs shall be invoiced.

3. Other points

If changes to wage rates or travel allowances are made due to legal provisions, provisions of collective agreements or other provisions before work is taken up or during the performance of work or if local conditions call for a higher allowance rate, we reserve the right to make adjustment, if necessary retroactively. The prices and invoicing rates stated do not include value-added tax; if applicable, this shall be invoiced additionally. Installation and service charges are payable net without discounts or any other deductions.
